All 2013-2014 NIE teachers are encouraged to request our e-Journal Star as opposed or in addition to print copies. It is an exact replica of our printed copy, with additional benefits like research options which allow teachers to search our newspaper articles back an entire year and language options. While, we offer e-Journal Star at \$.01 per student to teachers, we continue to campaign for sponsorship dollars to cover as many delivered copies as we can. You will receive your access information and order confirmation by e-mail. Please contact me with any questions at all. Thank you so much for being an NIE teacher!
